

Why, Then, The Law?

1. What makes “why?” a good question?
2. Was God’s covenant with Abraham based on a promise or works?
3. What is the Law?
4. Why does it matter that we have not obeyed God’s Law (or rules)?
5. Was the Law given to make us right with God?
6. How did we escape the curse of the Law?
7. Will God ever change or forget His promises to us?
8. Why was the Law primarily given?
9. When it comes to obedience, if the Law isn’t the problem, what is?
10. Do you really believe that God loves you based on Jesus’ work and not your own?
11. If you have been saved by Jesus Christ alone, by God’s grace alone, how should that change your life, marriage, friendships, perspective, etc.?

Galatians 3:10-22 Romans 7 & 8 Exodus 19-24
